How to Apply	For MBAs with 3-5 years' work experience, Bertelsmann offers the Bertelsmann Future Leaders Program . The exclusive custom-tailored program takes up to 18 months to complete and hires only four or five graduates per year, during which a variety of entrepreneurial projects are carried out in various Bertelsmann divisions worldwide (print, publishing, television, the music business as well as a wide range of service offers). Participants are supported by the Corporate Management Development Team and acquire well-founded insight into the corporate structure and culture at Bertelsmann. In addition, regular alumni meetings are held to enable the participants to expand their network. The goal of this program with its generalist orientation is to develop candidates into executives and have them assume responsible positions within the briefest possible period of time. Bertelsmann offers a range of graduate programs, which may be of interest to those interested candidates with limited work experience. Go to Graduate and Programs for more information.
International Opportunities	Bertelsmann is an international business; search locations for office details.
Visa Sponsorship	Bertelsmann welcomes applications from all nationalities and will assist with the application of work visas for the successful candidates.
Internships	Bertelsmann offers internships which although aren't necessarily aimed at MBAs, may be of interest to those interested candidates with limited work experience. The programs are generally for a period of three months. Go to Students and Interns for more information.
Key Dates	It is possible to register for a notification of the next application program window.
Additional Information	Bertelsmann is a media, services and education company that operates in about 50 countries around the world. It includes the broadcaster RTL Group, the trade book publisher Penguin Random House, the magazine publisher Gruner + Jahr, the music company BMG, the service provider Arvato, the Bertelsmann Printing Group, the Bertelsmann Education Group, and Bertelsmann Investments, an international network of funds. The company has over 132,000 employees and generated revenues of €17.2 billion in the 2020 financial year. Bertelsmann stands for creativity and entrepreneurship. This combination promotes first-class media content and innovative service solutions that inspire customers around the world. Bertelsmann aspires to achieve climate neutrality by 2030.

Tel: +1 617 973 1200. Email: bosrecruitingmailbox@bcg.com Interested applicants should note that in the US, BCG has a huge HR/recruitment team which is too vast to list here. The best advice is to go to On Campus and type in the name of a specific school to obtain details of the BCG recruitment team for that school.</p>
<p>How to Apply</p>	<p>MBA's joining BCG have an impact from day one as a Consultant. MBA graduates with a few years of experience can expect to spend time working across a wide range of clients and projects from helping to devise the integration strategy for a pharmaceutical merger to developing sustainable farming practices in emerging countries. Applications should be made On Campus (enter the name of the business school in the search box to find details of campus events and recruiting schedules) or online.</p>
<p>International Opportunities</p>	<p>With 90 offices in 50 countries there are numerous opportunities to work abroad.</p>
<p>Visa Sponsorship</p>	<p>To the very best of BCG's ability, they will provide assistance in obtaining work visas. However, please be aware that BCG is a global company and that there are some restrictions in specific offices which make obtaining visas more difficult. For example, at present it is not possible to get a visa for a Summer Internship in the US offices unless candidates are a US national, or hold a valid work permit. For visa information about a specific office, please email lbsrecruiting@bcg.com and they will put you in touch with the most relevant contact.</p>
<p>Internships</p>	<p>BCG's internship programs give students from many disciplines and backgrounds the opportunity to get a true feel of what it's like to work at BCG. BCG internships are generally two to three months long but can vary from a few weeks to a year, depending on the role and location. BCG offers a number of free virtual experience programs to give students the opportunity to get a true feel of what it's like to work at BCG.</p>
<p>Key Dates</p>	<p>Although applications are accepted at any time, BCG's primary recruiting season is from September to February. If BCG is not visiting your school, an online application can be made. To search for deadline dates by school visit BCG on Campus.</p>

Key Contacts	Via the website.
How to Apply	<p>MBA's typically join SDG as Associate Consultants or Consultant then progress to Senior Consultant, Senior Engagement Manager and then to Partner. SDG recruits MBA's, Masters degree graduates, and PhD candidates at a number of highly selective universities around the globe. In most cases, recruiting efforts are tied to the recruiting calendars at these graduate programs. In addition, throughout the year, SDG recruits from industry and other consulting firms. New consultants attend at least two weeks of training and orientation programs during their first six months with the firm. Training includes a two-week case study that follows a "typical" project from problem definition to a final presentation before a mock client review board. Further information can be found at MBA Consultants. Examples of a typical career path for an MBA graduate can be found in the FAQ area of the career site. The main careers website can be found at Careers. Candidates interested in becoming a consultant at SDG should go to submit your résumé. If positions are available, then SDG will be in contact.</p>
International Opportunities	Subject to business requirements. MBA Consultant positions are currently available in the US, Düsseldorf and Beirut.
Visa Sponsorship	SDG does not have a visa sponsorship policy in place, the company may sponsor visas on a case-by-case basis for the right candidate. It should be noted that SDG has made minimal visa applications in the past.
Internships	Internships are offered by SDG; however, these are as required by the business.
Key Dates	Check back at Job Descriptions for application details. Candidates should be aware that due to COVID-19, SDG's recruiting cycle is likely to be longer than usual. The company continues to review resumes and are conducting interviews via Zoom meeting.
Additional Information	Strategic Decisions Group, founded in 1981, builds shareholder value for clients by providing bold, transformative ideas leading to new levels of success in the global marketplace. The firm's mission is to help clients develop and implement creative strategies for increasing value. In the process, it helps clients build their internal competencies for addressing challenges in the future. A unique combination of analytic skills, strategy development techniques, and industry experience makes SDG a preferred strategy consultant to the global Fortune 500.

How to Apply	<p>Wipro Technologies has three MBA Programs; India Program, Global Program and Engagement. Selection for the full-time India Program typically takes place through the Internship Program (WISE) or through on-campus recruitment fairs. The Global Graduate Academy was initiated to tap into the talent pool at the universities in the US and Europe. The recruitment for this program takes place in two cycles – fall semester and spring semester along with off-campus hiring.</p> <p>Wipro also has the Global 100 Program, a 15-month MBA leadership program providing selected applicants with an opportunity to shape their future careers at Wipro over the course of 4 to 5 placements across the business (including internationally). At the end of the Program each Global Business Manager is deployed in a leadership role in Sales or Program Management in their home countries. Typically, Wipro recruit 35 Global Business Managers worldwide each year. Applicants outside of India are required to be final year MBA candidates from one of the Top 20 Business Schools with up to 10 years' experience. Applicants from India should be final year MBA candidates from premier Indian Business Schools with 2 to 10 years' experience. The main careers portal can be accessed via Careers where there is a link to a global search function.</p>
International Opportunities	<p>Wipro operates globally.</p>
Visa Sponsorship	<p>Candidates are required to have valid work permit in the country of interest.</p>
Internships	<p>Internships are available at Wipro. Internship assignments are normally from two to three months in duration. It is advised to check with the campus placement office at your university to see if and when Wipro Technologies will be visiting your college/university.</p>
Key Dates	<p>Application deadlines vary depending on the schools. For applications outside the specific target schools, applications are accepted all year round. Key Contacts	For general recruitment queries contact talent@wpp.com .
How to Apply	<p>Each year, WPP invests in a range of development programmes for employees. Previously WPP has run a Fellowship Programme for MBAs, however WPP's industry is transforming rapidly, and to lead that transformation, not react to it WPP are re-engineering and expanding the Fellowship to reflect the changing needs of WPP and its clients. The aim is to extend the scheme across more markets, broaden its already diverse profile, attract candidates from an even wider range of social, cultural and economic backgrounds, and encompass a greater number of skills. In the meantime, it is recommended to apply for graduate roles directly with a WPP company.</p> <p>Alternatively, WPP does have the WPP Health Fellowship which may be of interest to Science graduates. Each Health Fellow will spend nine months of a two-year programme learning about and contributing to a specialist health agency. This will be followed by two rotations of six months – each into a different specialist health agency each rotation agreed in advance by WPP – before returning to the original agency for a final three months.</p>
International Opportunities	The WPP MBA Marketing Fellowship was an international program with vast placement opportunities available across the globe (112 countries) for each of the three one-year rotations. This program is currently being reviewed.
Visa Sponsorship	Visa sponsorship is managed on a case-by-case basis, as the Fellowship Program is currently under review there is no policy available.
Internships	There is no internship program available.
Key Dates	WPP is reviewing its MBA Fellowship program and is therefore not recruiting for the 2021 intake.
