Company	<p>BAE Systems Stirling Square, 6 Carlton Gardens, London, SW1Y 5AD. UK +44 (0)1252 373232</p> <p>www.baesystems.com</p>
Key contacts	<p>All applications should be completed online. Any application queries can be emailed to Cath Hargreaves - Talent Consultant, Graduate Programmes at EmergingTalent@baesystems.com. For questions regarding application, please contact the Graduate Recruitment Team on 01772 677277 or email GART@baesystems.com</p>
How to Apply	<p>The careers website can be found at Careers. There is no specific MBA recruitment programme. However, in the UK, BAE runs high profile leadership programmes which, although geared more towards 2:1 bachelor's degree graduates, may be of interest to those with limited commercial or industry experience. Information about all the available schemes can be found at Leadership Programmes.</p> <p>In the US, BAE offers graduate schemes in Engineering, Finance, Operations, HR, Contracts and Information Management to graduates with a Bachelors or Master's degree.</p> <p>A job search facility is available at UK Job Search. A job search facility for the US is available at US Job Search. Interested applicants should type 'MBA' into the keyword box to obtain details of current openings where an MBA is preferred/required.</p>
International Opportunities	<p>Specific to individual vacancies. BAE operates in 40+ countries across the globe.</p>
Visa Sponsorship	<p>Under the current immigration rules BAE Systems has a very limited ability to sponsor visas to enable individuals to work in the UK. BAE would therefore only consider sponsorship for exceptional candidates on a case-by-case basis.</p>
Internships	<p>Twelve-week Summer Internship Schemes are available in the UK. Internships provide on-the-job training within a structured framework and will only be offered when there is real work to be completed. Internships are also available within the US.</p>
Key Dates	<p>The main recruitment window runs from the beginning of September every year. Please note where sufficient applications have been received these roles be closed therefore early application is advised. It is possible to pre-register and be notified when opportunities open.</p>
Additional Information	<p>BAE Systems is an international defence, aerospace and security company with leading air, naval, land and cyber capabilities, supplying both defence and commercial customers. The Company has approximately 85,800 employees in over 40 countries worldwide. BAE has been voted Times Top 100 Graduate Employer, Times Top 50 Employer for Women and is the UK's biggest employer of professional engineers (18,000 in total).</p>

Key contacts	<p>Applications should be made online in the first instance. See Contacts US for regional HR email addresses. UK student and graduate queries can be emailed to: earlycareer.applications@rolls-royce.com</p>
How to Apply	<p>The careers website can be found at Careers. Although Rolls-Royce does not have a formal MBA program, they are committed to recruiting high calibre individuals to become the global leaders of the future. Go to students and graduates for links through to internship and full-time programmes. For MBAs with limited work experience, Rolls-Royce offers a number of Business and Operations graduate programmes which may be of interest. In the US programs are geared towards engineering roles.</p>
International Opportunities	<p>Opportunities are available in the UK, USA, Asia and Australasia.</p>
Visa Sponsorship	<p>BAE welcome applications from all candidates, but unfortunately, are unable to employ anyone who does not have the legal right to live and work in the UK. During the recruitment process all candidates are required to prove they have this right with suitable documentation –find a list here. For any non-UK national candidate who does not possess the immigration status which allows them to live and work in the UK, Rolls-Royce will consider using their A rated sponsorship license to issue a Certificate of Sponsorship under the UK's points-based immigration system. Sponsorship of a visa is subject to all the appropriate criteria specified by UK Visas & Immigration being satisfied.</p>
Internships	<p>Rolls-Royce offers a wide range of paid internships across the many business areas – more than 350 placements a year globally, ranging in duration and timeline. More than 40% of people on one of the graduate programmes first completed an internship with Rolls-Royce.</p>
Key Dates	<p>Follow the links above for more details.</p>

Company	<p>Barclays Bank PLC 1 Churchill Place, London, E14 5HP, UK +44 (0) 20 7116 1000</p> <p>www.barclays.com</p>
Key Contacts	<p>Barclays Bank has a no names policy and all recruitment enquiries should be made online.</p>
How to Apply	<p>The careers website can be found at Careers and the dedicated student and graduate portal can be found at Join Us. Barclays has a number of Associate roles for graduate candidates. MBA students are welcome to apply to join full-time as Associates or on the Summer Associate programme in Investment Banking, Sales, Trading, and Structuring. To apply for roles, candidates need to register their interest in roles that suit their skills and ambitions. Barclays will then be in touch for the next stage in the application process. Further details and how to register can be found at Application and Selection. Interested candidates or MBAs with work experience looking for open positions can visit the general search for opportunities. Please note that you can apply to only one Barclays graduate program globally.</p>
International Opportunities	<p>Barclays offers opportunities worldwide.</p>
Visa Sponsorship	<p>Candidates who do not have a current right to work in the UK or who will require visa sponsorship from Barclays are not precluded from applying to graduate opportunities. However, Barclays may take their right to work status into consideration depending on the availability of candidates with the right to work in the UK.</p> <p>In the US, for candidates to participate in an internship or pre-internship program they must have the legal right to work in the location to which they will be assigned for the duration of the internship.</p> <p>If the candidate is joining Barclays in a full-time position and needs a work permit, Barclays will apply on their behalf. However, candidates should be aware that the granting of work permits is beyond Barclays' control and subject to local immigration laws.</p>
Internships	<p>Barclays runs many internships: summer programmes run from 8 to 10 weeks and start with a training course where candidates gain skills, network with other interns and build an understanding of the bank and the industry.</p>
Key Dates	<p>Follow the links to Join Us for the latest recruitment news and deadline dates. Applications are now open.</p>
Additional Information	<p>Barclays is a transatlantic consumer, corporate and investment bank offering products and services a cross personal, corporate and investment banking, credit cards and wealth management, with a strong presence in the two home markets of the UK and the US. Company	<p>HSBC HSBC Holdings plc, 8 Canada Square, London, E14 5HQ. UK +44 (0) 207 991 8888</p> <p>www.hsbc.com</p>
Key contacts	<p>HSBC's global graduates are recruited locally. If a candidate has applied to a vacancy on one of the graduate or intern programmes, then they may contact their local team. CVs and sensitive information should not be sent to these email addresses.</p>
How to Apply	<p>HSBC has a wide range of graduate programmes in place which are open to final-year undergraduates, graduates and post-graduates . It should be noted, HSBC no longer recruits MBA students to a specific MBA programme. However, if the graduate programmes are not suitable the bank encourages MBA students to search roles for experienced professionals available across its global businesses and global functions. See Graduate FAQs for application requirements and information.</p>
International Opportunities	<p>HSBC has a number of intern and graduate opportunities across its four global businesses: Commercial Banking, Global Banking and Markets, Global Private Banking and Retail Banking and Wealth Management. See Global Opportunities for details.</p>
Visa Sponsorship	<p>Candidates applying for an internship or global graduate opportunity at HSBC need to have the legal right to live and work in the country or territory to which they are applying. In most places, this means they will need to be a national of the relevant country to apply (e.g. Canada, mainland China, Qatar, Kuwait, UAE, USA*). *If applying for a role in the USA in Global Banking and Markets, they must be studying at a US university if not a US national.</p>
Internships	<p>Lasting between one and sixteen weeks, there's a variety of internships that will help students explore what they may want to do long term. Interns are selected on a first-come, first-served basis – so if interested, apply as early as possible before the positions are filled. Interns that complete the global internship successfully will have the opportunity to automatically be considered for a place on one of the global graduate programmes. Internships are generally aimed at undergraduates.</p>
Key Dates	<p>Go to Graduate Opportunities to search for programmes and for the latest deadlines and application guidance. Graduate programmes are open, the deadline date is dependent on the country. Follow the links above for closing dates.</p>
Additional Information	<p>Headquartered in London, HSBC is one of the largest banking and financial services organisations in the world. Company	<p>St James's Place Head Office: 1 Tetbury Road, Cirencester. Gloucestershire, GL7 1FP. UK Tel: 01285 640302</p> <p>www.sjp.co.uk</p>
Key Contacts	<p>Emma Owen, Head of Leadership Development. Email: employment@sjp.co.uk or Tel: 01285 640302</p>
How to Apply	<p>St James's Place has a range of careers, mainly from its head office. Although the company does not have an MBA recruitment programme, applications from MBAs are welcomed. Go to Join Us for details of the latest open positions. The Group runs graduate schemes via two entry routes - one through a rotational scheme or the other into the direct non-rotational Scheme - each scheme offering a comprehensive programme of skills development. The programmes are aimed at those with a 2:1 degree.</p>
International Opportunities	<p>Most roles are in the UK, based at the Head Office with some roles in other UK locations. It is possible to conduct a job search by location.</p>
Visa Sponsorship	<p>St James's Place regrets that, while it holds a Tier 2 (General) licence, the Graduate Programme roles would not meet the threshold of a 'skilled' role enabling SJP to undertake the necessary process to grant a Certificate of Sponsorship to an applicant from outside the EEA and Switzerland.</p>
Internships	<p>St James's Place has a Summer Internship Programme in place, internships have differing academic requirements, depending on the placement.</p>
Key Dates	<p>2023 applications will open early November. St James's Place attends career insight events so that potential candidates can see if the financial services is the right industry for them.</p>
Additional Information	<p>St. James's Place Wealth Management is a leading UK wealth management organisation. Founded in 1991, St. James's Place was listed on the London Stock Exchange in 1997 and is now a FTSE 100 company with £143.14 billion of client funds under management. The company provides face-to-face advice to clients based on their individual needs and circumstances through its dedicated network of advisors.</p>
