Company	<p>Airbus Group PO Box 32008, 2303 DA Leiden, The Netherlands airbusgroup.web@airbus.com UK Address: Floor 2, Wellington House, 125-130 Strand, London, WC2R 0AP. UK Tel: +44 20 7395 7800</p> <p>www.airbusgroup.com</p>
Key contacts	<p>UK Careers email: graduates@airbus.com</p>
How to Apply	<p>Visit Careers. There is no specific MBA programme, but Airbus Group offers a variety of graduate programmes across its three divisions: Airbus, Airbus Helicopters and Airbus Defence and Space. Go to Graduates. The International Graduate Programme may be of interest to those with a passion for business at a global level. The IGP develops graduates to be a future leader of the business and includes international travel. Apply for graduate programmes through the Job Market. All vacancies and programmes must be applied for online. Interested applicants can search for vacancies by country and apply online at the Jobs and Applications section. Airbus is also on LinkedIn.</p>
International Opportunities	<p>International opportunities are available. Search for vacancies worldwide and apply online. Airbus holds Events which may be of interest. Graduates may be interested in the Airbus International Graduate Programme, a 2-year programme including work experience in different divisions and countries.</p>
Visa Sponsorship	<p>Airbus will help non-European candidates to get a visa and work permit once selected for a position. See FAQ.</p>
Internships	<p>Airbus also runs a range of internships in the UK (generally lasting 6-12 months), France, Germany and Spain. To qualify, you must be enrolled in a university and be looking for a placement that will last between 3 months and 1 year (in Germany internships shorter than 3 months are also possible).</p>
Key Dates	<p>Applications for the UK Placement Programme are open, these are aimed at undergraduates, however. Applications for the 2023 Airbus International Graduate Programme are open. Airbus has several internship opportunities available; these are not MBA-specific, however.</p>
Additional Information	<p>Airbus is a global leader in aeronautics, space and related services. In 2021 it generated revenues of €52 billion and employed a workforce of around 134,000. Airbus offers the most comprehensive range of passenger airliners. Airbus is also a European leader providing tanker, combat, transport and mission aircraft, as well as one of the world's leading space companies. In helicopters, Airbus provides the most efficient civil and military rotorcraft solutions worldwide.</p>

Key contacts	<p>Campus Recruitment Team - UK (London) email: campusrecruitment@commerzbank.com or Tel: +44 (0) 20 747 55009 Talent Management Recruiting Team - Germany (Frankfurt) email: info-recruiting@commerzbank.com Tel: +49 (0) 800 1010159 Group Human Resources - US (New York) email: nyhrrecruiting@commerzbank.com Group Human Resources - Asia, email: RecruitmentHRAsia@commerzbank.com</p>
How to Apply	<p>Visit Careers. There is no specific MBA recruitment, however Commerzbank offers a number of Graduate Programmes: International Digital Development, Private & Business Clients, Risk Management, and Technology. These positions are aimed at candidates with relevant bachelor's or master's level qualifications. A good standard of German is also required. The Job Board displays current open opportunities.</p>
International Opportunities	<p>Visit Job Board for current global opportunities.</p>
Visa Sponsorship	<p>Generally, Commerzbank can sponsor eligible candidates for work visas. Eligibility rules vary from country to country, so candidates are responsible for ensuring they understand the eligibility criteria for the country in which they will work and complete any required applications. All offers of employment made are subject to the applicant obtaining and proving the right to work within that location.</p>
Internships	<p>Commerzbank offers Internships throughout the year in London, Frankfurt, New York and Asia. In London and Asia, internships could last between 8 weeks and 12 months. In Frankfurt and New York internships should last for a maximum of 6 months. Applications to London should be made via the online JobPortal. Applications to Asia should be made via partner universities. For more information, please contact graduate-recruit.asia@commerzbank.com. Applications to New York should be submitted to HumanResourcesNY@commerzbank.com</p>
Key Dates	<p>Details of employment events can be found online. Applications to trainee programmes take place throughout the year.</p>
Additional Information	<p>Commerzbank is the leading bank for the German Mittelstand and a strong partner for around 30,000 corporate client groups and around 11 million private and small-business customers in Germany. The Bank's two Business Segments – Private and Small-Business Customers and Corporate Clients – offer a comprehensive portfolio of financial services. Commerzbank transacts approximately 30 per cent of Germany's foreign trade and is present internationally in almost 40 countries in the corporate clients' business. The Bank focusses on the German Mittelstand, large corporates, and institutional clients. As part of its international business, Commerzbank supports clients with German connectivity and companies operating in selected future-oriented industries. Following the integration of Comdirect, private and small-business customers benefit from the services offered by one of Germany's most advanced online banks combined with personal advisory support on site. Its Polish subsidiary mBank S.A. is an innovative digital bank that serves approximately 5.5 million private and corporate customers, predominantly in Poland, but also in the Czech Republic and Slovakia.</p>

Company	<p>ING Group Mailing Address: ING Groep N.V. PO Box 1800, 1000 BV Amsterdam. The Netherlands +31 20 5639111</p> <p>www.ing.com/</p>
Key contacts	Online Only.
How to Apply	<p>ING operates the ING International Talent Programme (ITP). Although this is open to masters graduates (Bachelor degree in some countries), it may be of interest to MBA students with limited work experience interested in one of the six tracks that ING offer: Retail Banking, Wholesale Banking, IT, HR, Finance and Risk. Each track is a tailor-made four-year journey. For the first 12-18 months, candidates rotate between different assignments, jobs and possibly locations. This allows them to see different parts of the business and add value right from the start. It might even involve spending some time in a country. Expert training will be received in terms of project management, leadership skills, and personal development.</p>
International Opportunities	For the latest application deadline dates, go to your country of choice, visit Choose your country .
Visa Sponsorship	ING is an Equal Opportunity Employer and accept applicants from all nationalities. ING will support candidates in the application process for a work permit and/or visa.
Internships	Although there is no formal internship programme, interns are frequently hired by ING. Visit Job Opportunities and search 'Intern' to view openings.
Key Dates	Go to Job Opportunities and select Starter/Graduates or Country from the search options.
Additional Information	<p>ING Group is a global financial institution of Dutch origin offering banking, insurance, and asset management to over 38 million private, corporate and institutional clients in 40 countries. With a diverse workforce of over 57,000 people, ING comprises a broad spectrum of prominent companies that increasingly serve their clients under the ING brand. Moreover, ING is currently among leaders in the Dow Jones Sustainability Index 'Banks industry' group. ING posted 2021 net result of EUR 4,776 million.</p> <p style="text-align: right;">Return to index page</p>

Company	<p>BASF Global HQ - BASF SE, Carl-Bosche-Strasse 38, 67056 Ludwigshafen. Germany Tel: +49 (0)621 60-0</p> <p>www.basf.com</p>
Key contacts	<p>Applications should be made online. Contact HR at step-in@basf.com or telephone +49 621 60 95200.</p>
How to Apply	<p>BASF has 2 programs suitable for MBA graduates. The INSIDE Automotive – Global Rotational Program is a 2-year program with opportunities to gain an international experience. Candidates are expected to enjoy working in B2B marketing. They should have a degree (Master, MBA or PhD) with achievements above average in (industrial) engineering or in business administration/economics preferably with a technical background, candidates should also have relevant practical experience. The Top Start International Business Leader Program prepares highly qualified and trained young BASF managers to take on demanding positions. The 3-year program involves 2-3 stops, one of which will be international. This program is only offered to exceptional talent. Interested candidates will have a Masters, PhD or MBA, with no more than 3-years of work experience with grades that are well above average, together with international experience. Several other programs are available to those with a master's degree which may be of interest.</p>
International Opportunities	<p>There are opportunities for overseas placements although these may not be MBA-specific. Visit Careers for details and to run a job search.</p>
Visa Sponsorship	<p>No information for European roles. In the US, the requirements and process for obtaining work visas is often complicated and difficult. Therefore, BASF is not able to offer sponsorship for every one of its positions; these decisions are made on a case-by-case basis. If candidates meet the requirements for the position in which they are interested, BASF welcome them to apply.</p>
Internships	<p>BASF generally offer internships for a duration between two and six months. In individual cases, BASF can also offer university student jobs on completion of the placement.</p>
Key Dates	<p>BASF job searches are by region. See Asia Pacific, Europe, USA, Canada, Mexico, Brazil and EMEA and search 'MBA' for current openings. BASF is currently recruiting for the full time Top Start program in Germany and several leadership programs in the US.</p>
Additional Information	<p>BASF creates chemistry – for a sustainable future. As the world's leading chemical company, they work to combine economic success with environmental protection and social responsibility. The approximately 111,000 employees in the BASF Group work on contributing to the success of customers in nearly all sectors and almost every country in the world. The group's portfolio is organized into five segments: Chemicals, Performance Products, Functional Materials & Solutions, Agricultural Solutions, and Oil & Gas. BASF generated sales of about €78.6 billion in 2021.</p> <p style="text-align: right;">Return to index page</p>

Company	<p>Henkel KgaA Henkelstraße 67, 40191 Düsseldorf, Germany Tel: +49-211-797-0</p> <p>www.henkel.com</p>
Key contacts	<p>All applications should be made online. Potential candidates can get in touch with Henkel's HR team and stay updated on career opportunities via Facebook, LinkedIn and Instagram.</p>
How to Apply	<p>Visit Careers. Henkel offers graduates a number of opportunities to start their professional career with international perspectives and job rotations included. Talent programs include the 18-month Digital Talent Program and the Adhesive Technologies Graduate Program – aimed at recent graduates with a PhD or master's in chemistry, engineering or a related field.</p> <p>Usually, graduates start with a direct job entry. See Job Search and select Graduates – it is then possible to search by 'MBA' as a keyword.</p>
International Opportunities	<p>As a globally operating company, Henkel employs people from 120 nations in almost 80 countries. Almost 85 percent employees work outside Germany, and more than half of them in emerging markets. Henkel's "Triple Two" philosophy promotes the expectation that employees can move between different business areas and countries by allowing employees to work in at least two different roles, in two different business areas and two different countries.</p>
Visa Sponsorship	<p>For entry level and student roles, candidates should have the legal right to work in the country for which they are applying.</p>
Internships	<p>Henkel places 1,500 interns worldwide each year. Interns will be integrated in a team from the very first day and will be able to find out what it means to work for an international market leader. Successful interns can be nominated for the Henkel Career Track (Trackies), and the intern alumni program.</p>
Key Dates	<p>The dates of Henkel's internships are flexible and not tied to a semester schedule. Please apply at least 4 to 6 months in advance as many positions are filled beforehand. Direct roles are advertised as they are required. MBA Internships are currently being sought in the US.</p>
Additional Information	<p>Henkel operates worldwide with leading innovations, brands, and technologies in three business areas: Adhesive Technologies, Beauty Care, and Laundry & Home Care. Founded in 1876, Henkel looks back on more than 140 years of success. Henkel employs more than 52,000 people globally – a passionate and highly diverse team, united by a strong company culture, a common purpose to create sustainable value, and shared values. As a recognized leader in sustainability, Henkel holds top positions in many international indices and rankings. Henkel's preferred shares are listed in the German stock index, DAX.</p>

Company Unilever
Unilever House, 100 Victoria Embankment, London EC4Y 0DY, UK
Tel: +44 (0) 207 8225252
www.unilever.com

Key Contacts Applications should be made online only. However, any questions about opportunities they currently have can be directed by email to enquiry@unilevergraduates.com or +44 (0) 870 154 3550.

How to Apply The careers website can be found at [Careers](#). There is no specific MBA Recruitment Programme in operation. However, Unilever does run a 3 year Graduate [Future Leaders Programme](#) which may well be of interest to MBA graduates looking for a route into this major FMCG company. See also, [Graduates](#). General vacancies in the UK and Ireland can be found at [Experienced Professionals](#).
Interested candidates can also follow Unilever's Career page on [LinkedIn](#), [Twitter](#) or [Facebook](#).

International Opportunities Unilever is a global organisation. Visit [Global Vacancies](#) and select your country of interest.

Visa Sponsorship As legal procedures vary by country the recruitment team will need to review each application closely, before providing candidates with appropriate guidance. Although Unilever UK is a licensed sponsor, it does not provide sponsorship to graduates and undergraduates trying to obtain the right to work in the UK. Therefore, candidates are required to have the continuous right to work in the UK for Unilever's Industrial, Summer and Spring Placements.

Internships The Company also offers [Internships](#) in the form of the Unilever International Internship Programme (UIIP) and Unilever Summer Placements.

Key Dates Monitor the [vacancy board](#) regularly. It is now possible to [register an interest](#) in the Future Leaders Programme. Future Leaders Programmes are open globally.

Additional information Unilever provides nutrition, hygiene and personal care brands and services. The company's products are sold in over 190 countries around the world generating sales of €52.4 billion (FY2021). Unilever employs 148,000 people in around 100 countries worldwide and 46% of the company's managers are women. Unilever is the global market leader in all the food categories they operate: savoury, spreads, dressings, tea and ice cream. Unilever is also global market leaders in mass skin care and deodorants and has very strong positions in other home and personal care categories. Emerging markets now account for 57% of their business. Unilever's brands include Flora, Dove, Domestos, Knorr, Cliff, Walls, and Surf. Unilever is the number one FMCG graduate employer of choice in 54 countries.

Company	<p>Siemens AG Werner-von-Siemens-Strasse 1, 80333 Munich, Germany +49 (69) 797 6660</p> <p>www.siemens.com</p>
Key contacts	<p>Questions regarding the Finance Excellence Program can be emailed to the team at finance-excellence@siemens.com. Questions regarding the CEO* Program can be emailed to the team at ceo-program@siemens.com. Questions regarding the MBA Summer Consulting Intern role can be emailed to Caterina Schiffner at recruiting.smc@siemens.com.</p>
How to Apply	<p>Siemens has a few programs aimed at MBA graduates. The 2-year intensive Finance Excellence Program is designed for a hand full of select top graduates to step up to CFO level. Assignments are based on interests and prior experience with applications being accepted throughout the year. For those with an excellent university degree (ideally supplemented with an MBA/PhD) as well as practical experience in consulting or a Siemens-related industry a Consultant role within Siemens Management Consulting group may appeal. Projects include international travel. Each year a few candidates will be hand selected to participate in the rigorous 24-month rotational leadership program Siemens CEO* Program. Candidates should have a bachelor's and/or master's degree in an engineering or IT-related field of study as well as an MBA from one of the leading international business schools, be ambitious, globally minded leaders with five to ten years' experience.</p>
International Opportunities	<p>The FEP is a global program and Siemens will identify opportunities across the globe, in any of the 190 countries, in which it operates. At least one assignment will take candidates to Germany to give you an understanding of the business networks from the headquarter perspective. In the past, participants have found themselves in places like China, South Africa, Brazil, the USA and Russia.</p>
Visa Sponsorship	<p>Siemens AG will help with any visas or resident permits candidates to the programs might need.</p>
Internships	<p>Students completing an MBA at a leading international business school, are highly welcome to apply as an MBA Summer Consulting Intern for the Munich office. In general internships have a minimum length of 10 weeks.</p>
Key Dates	<p>Generally, Siemens accept applications throughout the year. However, depending on from which business school candidates are applying, there are deadlines during peak application periods.</p>
Additional Information	<p>Siemens is a global powerhouse focusing on the areas of electrification, automation and digitalization. One of the world's largest producers of energy-efficient, resource-saving technologies, Siemens is a leading supplier of systems for power generation and transmission as well as medical diagnosis. In infrastructure and industry solutions the company plays a pioneering role. In fiscal 2021, which ended on September 30, 2021, Siemens generated revenue of €62.3 billion (excluding Siemens Energy) and net income of €6.7 billion. As of October 2021, Siemens had around 303,000 employees.</p> <p style="text-align: right;">Return to index page</p>
