UK: graduate recruitment@paconsulting.com, Nordics: nordic.recruitment@paconsulting.com, US: campus.recruiting@paconsulting.com

How to Apply

Visit [Careers](#) to view PA Consulting Group's career information. PA Consulting Group does not offer any MBA specific graduate programmes. The majority of [campus/graduate opportunities](#) are based in the EU and the US, and most new joiners begin between September and March. In the EU, PA traditionally hires Analysts straight from university, while in the US they hire undergraduate and graduate students into the ranks of Analyst, Consultant Analyst, and Consultant. Generally, someone with a postgraduate qualification, with little or no relevant experience, would still come through the campus/graduate recruitment. In the US, PA actively recruits MBA, graduate and Ph.D. students and encourages applications. If the Ph.D./MBA is paired with significant relevant experience, candidates can apply for more senior opportunities in a chosen practice. Interested candidates are encouraged to engage with the company via [LinkedIn](#) and [Twitter](#).

International Opportunities

MBA opportunities are available internationally and are subject to business requirements. See [all jobs](#).

Visa Sponsorship

PA Consulting welcome international applications, but are unable to offer sponsorship for work permits, so candidates will need to have the full right to live and work in the UK. An application will be automatically rejected if a candidate does not have these rights.

Internships

Summer Internship roles are offered across the business as required. View [Early Careers](#).

Key Dates

PA Consulting Group recruits throughout the year but candidates are advised it's better to apply as soon as possible because the places soon fill up. Follow the link to the [Job Search](#) page and enter 'MBA' in the keyword search to return the latest opportunities and deadline dates.
